INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees University System of Georgia Foundation, Inc. and Affiliates Atlanta, Georgia

We have audited the accompanying consolidated financial statements of the **University System of Georgia Foundation**, **Inc. and Affiliates** (a non-profit organization), which comprise the consolidated statements of financial position as of June 30, 2021 and 2020, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the University System of Georgia Foundation, Inc. and Affiliates as of June 30, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The supplementary information on pages 55 - 63 is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Other Maters

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 21, 2021, on our consideration of the University System of Georgia Foundation, Inc. and Affiliates' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the University System of Georgia Foundation, Inc. and Affiliates' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the University System of Georgia Foundation, Inc. and Affiliates' internal control over financial reporting and compliance.

UNIVERSITY SYSTEM OF GEORGIA FOUNDATION, INC. AND AFFILIATES NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 1. NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities:

The University System of Georgia Foundation, Inc. (the "Foundation") is a nonprofit foundation exempt from federal and state income taxes under Internal Revenue Code Section 501(c)(3), and was formed on August 10, 1995. The Foundation was organized and operates under the laws of the State of Georgia to serve the needs and interests of the University System of Georgia.

The University System of Georgia Foundation, Inc. is a cooperative organization of the Board of Regents of the University System of Georgia. Its mission is to advance the University System of Georgia, as a whole, consistent with the priorities determined by the University System of Georgia Foundation, Inc. Board of Trustees. The Foundation's support comes primarily from contributions and grants from individuals and corporations, and from leasing activities within the University System of Georgia. The University System of Georgia Foundation, Inc. has four primary goals, which are:

- To cultivate private support for scholarships for students to attend University System of Georgia institutions.
- To serve as the administrative center for private grants awarded to University System
 office staff in "Research and Development (R&D) Centers" that feature the strategic
 priorities of the Board of Regents and that involve multiple University System of
 Georgia institutions.
- To provide support to the Office of the Chancellor of the University System of Georgia.
- To facilitate financing of capital improvement projects at University System of Georgia institutions.

Significant accounting policies:

Basis of presentation:

The consolidated financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

The Foundation presents its financial statements in accordance with the Financial Accounting Standards Board (FASB)'s *Not-For-Profit* presentation and disclosure guidance. Under this guidance, the Foundation is required to report information regarding its financial position and activities according to two categories of net assets: net assets without donor restriction and net assets with donor restriction.

NOTE 1. NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

Significant accounting policies: (Continued)

Basis of presentation: (Continued)

Net assets without donor restrictions consists of net assets that are not subject to donor-imposed stipulations, which are used to account for resources available to carry out the purposes of the Foundation. The principal sources of funds generated for net assets without donor restrictions are contributions and program revenues. Board designated net assets are without donor restriction but are designated by the Board to be spent for specific purposes.

As of June 30, 2021 and 2020, Board designated net assets totaled \$5,954,074 and \$4,748,392, respectively.

Net assets with donor restrictions consists of net assets that are subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions may be perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Basis of consolidation:

On October 15, 2008, the University System of Georgia Foundation, Inc. formed USG Real Estate Foundation I, LLC ("RE I"), with the University System of Georgia Foundation, Inc. as the sole member. USG Real Estate Foundation I, LLC was formed for the purpose of obtaining financing, constructing projects, and renting the projects to the Board of Regents.

Also on October 15, 2008, the University System of Georgia Foundation, Inc. formed USGREF Manager, LLC with the University System of Georgia Foundation, Inc. as the sole member. USGREF Manager, LLC was formed for the purpose of managing all USG Real Estate Foundation entities.

On March 26, 2009, the University System of Georgia Foundation, Inc. formed USG Real Estate Foundation II, LLC ("RE II"), with the University System of Georgia Foundation, Inc. as the sole member. USG Real Estate Foundation II, LLC was formed for the purpose of obtaining financing, constructing projects, and renting the projects to the Board of Regents.

On January 14, 2010, the University System of Georgia Foundation, Inc. formed USG Real Estate Foundation III, LLC ("RE III"), with the University System of Georgia Foundation, Inc. as the sole member. USG Real Estate Foundation III, LLC was formed for the purpose of obtaining financing, constructing projects, and renting the projects to the Board of Regents.

On December 11, 2020, the University System of Georgia Foundation, Inc. formed USG Real Estate Foundation XII, LLC ("RE XII"), with the University System of Georgia Foundation, Inc. as the sole member. USG Real Estate Foundation XI, LLC was formed for the purpose of obtaining financing and renting the projects to the Board of Regents.

The consolidated financial statements of University System of Georgia Foundation, Inc. and Affiliates includes the accounts of University System of Georgia Foundation, Inc., USG Real Estate Foundation II, LLC, USG Real Estate Foundation III, LLC, USG Real Estate Foundation IV, LLC, USG Real Estate Foundation V, LLC, USG Real Estate Foundation VIII, LLC, USG Real Estate Foundation VIII, LLC, USG Real Estate Foundation VIII, LLC, USG Real Estate Foundation IX, LLC, USG Real Estate Foundation X, LLC, USG Real Estate Foundation XI, LLC, and USG Real Estate Foundation XIII, LLC. Intercompany accounts and significant intercompany transactions have been eliminated. There is no activity related to USGREF Manager, LLC for the years ending June 30, 2021 and 2020.

Contributions:

Contributions received, including unconditional promises to give, are recognized as revenues in the period received at their estimated fair value less an appropriate allowance for uncollectible amounts. Conditional promises to give are recognized when the conditions are substantially met. Pledges receivable over more than one year are recorded at their discounted present value. The discounts on those amounts are computed using risk-free interest rates applicable to the years in which the promises are received. Amortization of the discounts is included in contribution revenue. The allowance for doubtful pledges is based on specifically identified amounts that the Foundation believes to be uncollectible.

NOTE 1. NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

Significant accounting policies: (Continued)

Contribution revenues of repair and replacement funds:

In 2021, the Foundation issued bond debt (through wholly-owned RE XI and XII) and used the proceeds to acquire six student housing properties at two institutions within the University System of Georgia (see Note 8). The Foundation acquired these student housing properties from two separate not-for-profit organizations within University System of Georgia by issuing direct financing leases (see Note 6). A stipulation of these acquisitions was that the repair and replacement funds held by the trustee be transferred to the Foundation at the date of acquisition. For the year ending June 30, 2021, the Foundation recognized \$3,789,997 in contribution revenues of repair and replacement funds in the accompanying consolidated statement of activities. The acquisition of the USG Real Estate XI, LLC student housing properties closed on October 20, 2020, and the associated repair and replacement funds were received in October 2020. The acquisition of the USG Real Estate XII, LLC student housing properties closed on May 27, 2021, and the associated repair and replacement funds were received in June 2021.

There were no contribution revenues of repair and replacement funds for the year ending June 30, 2020.

Cash and cash equivalents:

Cash and cash equivalents include cash and highly liquid investments that are readily convertible into cash and have a maturity of ninety days or less when purchased. At times, cash and cash equivalents may exceed federally insured amounts. The Foundation believes it mitigates risks by depositing cash and investing in cash equivalents with reputable financial institutions.

Excluded are amounts held for specific purposes or amounts which are included in the Foundation's long-term investment strategies.

In-kind donations:

In-kind donations are reflected as donated services and materials in the accompanying consolidated statements of activities at their estimated values at the date of receipt. In-kind donations are primarily made up of alcohol and printing announcements for the annual fundraiser, which is reflected under supporting services as fundraising in the accompanying consolidated statements of activities. In-kind donations totaled \$- and \$34,156 for the years ended June 30, 2021 and 2020, respectively.

NOTE 1. NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

Significant accounting policies: (Continued)

Investments:

Investments consist primarily of pooled funds. Investments are recorded at fair value. Investment expenses incurred totaled \$6,363 and \$7,167 for the years ended June 30, 2021 and 2020, respectively.

Donated investments are recorded at fair value on the date received. Realized and unrealized gains and losses on the portfolio are recognized as income or loss.

Investment securities are exposed to various risks, such as interest rate risk, market risk, and credit risk.

Investments in direct financing-type leases:

The Foundation leases real estate to the Board of Regents, a related party. The leases are accounted for as direct financing-type leases. The present value of the minimum lease payments is recorded as an asset and is amortized as payments are received.

The difference between gross minimum lease payments and the present value of the gross minimum lease payments is recorded as unearned income and is amortized as payments are received. In accordance with its stated purpose as a not-for-profit organization, the Foundation structures its lease agreements to provide rental proceeds to meet related debt service, interest expenses, and administrative and operating expenses. The terms of these lease agreements are considered more favorable than commercial terms on similar facilities and equipment. The lessees are responsible for the payment of property taxes, routine maintenance, insurance, and other costs incidental to the use of the facilities. The lease agreements generally provide for an initial rental period with renewable terms that extend over the term of the debt financing the leased property. The lease agreements are cancelable by the lessees at specified times during the lives of the leases. Leases with agencies of the State of Georgia are for no longer than one year, with renewable options. Lease payments are structured, together with debt service reserves included in assets limited as to use, to provide sufficient funds to meet the debt service provided all renewal terms are exercised.

Debt issuance costs:

Debt issuance costs, comprised principally of underwriting, legal, and printing fees are recorded as deferred charges and amortized over the term of the debt using the interest method. At June 30, 2021 and 2020, accumulated amortization of the debt issuance costs were \$1,539,811 and \$1,013,003, respectively.

NOTE 1. NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

Significant accounting policies: (Continued)

Bond premiums and discounts:

Bond premiums are presented as an increase of the face amount of bonds payable. Bond discounts are presented as a decrease of the face amount of bonds payable. Both are amortized over the term of the debt using the interest method.

Deferred revenue:

Revenue received in advance is deferred and recognized over the periods to which it relates.

Use of estimates:

The Foundation prepares its consolidated financial statements in accordance with generally accepted accounting principles which require management to make estimates and assumptions that affect reported amounts of assets and liabilities at the date of the consolidated financial statements, as well as the amounts of income and expenses during the reporting period. Actual results could differ from those estimates.

Fair value of financial instruments:

The following methods and assumptions were used to estimate the fair value of each class of financial instrument for which it is practicable to estimate that value:

Cash and cash equivalents - The carrying amount approximates fair value because of the short-term maturity of these instruments.

Investments - Investments are carried at fair value based on quoted market prices for those or similar investments.

Bond proceeds restricted for construction, debt service, and reserves - Assets limited as to use funds held by the trustee are carried at fair value based on quoted market prices for those or similar investments.

NOTE 1. NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

Significant accounting policies: (Continued)

Fair value of financial instruments: (Continued)

Operating funds held by trustee - Assets limited as to use funds held by the trustee are carried at fair value based on quoted market prices for those or similar investments.

Bonds payable - Fair value, as disclosed in Note 8, is the price that would be paid to transfer the liability in an orderly transaction between market participants.

Other receivables and payables - The carrying amount approximates fair value because of the short-term maturity of these instruments.

The Foundation follows FASB's fair value measurements and disclosure guidance, which provides a framework for measuring fair value under generally accepted accounting principles. This guidance applies to all financial instruments that are being measured and reported on a fair value basis.

As defined in the FASB issued guidance, fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In determining fair value, the Foundation uses various methods including market, income and cost approaches. Based on these approaches, the Foundation often utilizes certain assumptions that market participants would use in pricing the assets or liability, including assumptions about risk and/or the risks inherent in the inputs to the valuation technique. These inputs can be readily observable, market corroborated, or generally unobservable inputs. The Foundation utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs. Based on the observability of the inputs used in the valuation techniques, the Foundation is required to provide the following information according to the fair value hierarchy.

The fair value hierarchy ranks the quality and reliability of the information used to determine fair values. Financial assets and liabilities carried at fair value will be classified and disclosed in one of the following three categories:

Level 1 – Valuations for assets and liabilities traded in active markets, such as the New York Stock Exchange. Valuations are obtained from readily available pricing sources for market transactions involving identical assets or liabilities.

Level 2 – Valuations for assets and liabilities traded in less active dealer or broker markets. Valuations are obtained from third party pricing services for identical or similar assets or liabilities.

NOTE 1. NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

Significant accounting policies: (Continued)

Fair value of financial instruments: (Continued)

Level 3 – Valuations for assets and liabilities that are derived from other valuation methodologies, including option pricing models, discounted cash flow models and similar techniques, and not based on market exchange, dealer, or broker-traded transactions.

Level 3 valuations incorporate certain assumptions and projections in determining the fair value assigned to such assets and liabilities.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

Furthermore, although the Foundation believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. For the years ended June 30, 2021 and 2020, the application of valuation techniques applied to similar assets and liabilities has been consistent. The fair value of investment securities is the market value based on quoted market prices, when available, or market prices provided by recognized broker-dealers.

If listed prices or quotes are not available, fair value is based upon externally developed models that use unobservable inputs due to the limited market activity of these instruments.

Construction in progress:

At June 30, 2020, construction in progress totaled \$18,393,085. Construction in progress is stated at cost plus capitalized interest. The Foundation capitalizes the interest expense on certain bond proceeds in accordance with the FASB's capitalization of interest guidance. For the year ended June 30, 2020, capitalized interest totaled \$991,029.

On July 1, 2020, all of the construction in progress related to the construction of the student housing facilities project on Middle Georgia State University's Macon campus (financed through the bond proceeds of RE IX, see Note 8) was transferred through a direct financing lease to Middle Georgia State University (See note 6).

NOTE 1. NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

Significant accounting policies: (Continued)

Income tax status:

The Foundation qualifies as a tax-exempt organization as described in Internal Revenue Code Section 501(c)(3) and has been classified by the Internal Revenue Service as a publicly supported organization and not as a private foundation. However, income from certain activities not directly related to the Foundation's tax-exempt purpose is subject to taxation as unrelated business income. The Foundation follows the statutory requirements for its income tax accounting and generally avoids risks associated with potentially problematic tax positions that may be challenged upon examination.

Management believes any liability resulting from taxing authorities imposing additional income taxes from activities deemed to be unrelated to the Foundation's tax-exempt status would not have a material effect on the Foundation's consolidated financial statements.

The Foundation files Form 990 in the U.S. federal jurisdiction and the State of Georgia.

The *Tax Reform Act of 1986* requires governmental organizations issuing tax-exempt bonds to refund to the U.S. Treasury interest earnings on bond proceeds in excess of the yield on those bonds. Governmental organizations must comply with arbitrage rebate requirements in order for their bonds to maintain tax-exempt status. Organizations are required to remit arbitrage rebate payments for non-purpose interest to the federal government at least once every five years over the life of the bonds. The Foundation reports arbitrage (other debt service) expenditures when the liability is due.

Change in donor intent:

During the year ended June 30, 2020, the Foundation obtained a change in donor intent regarding contributions previously recorded totaling \$69,205, resulting in transfers from net assets without donor restrictions to net assets with donor restrictions.

During the year ended June 30, 2021, the Foundation obtained a change in donor intent regarding contributions previously recorded totaling \$334,150, resulting in transfers from net assets without donor restrictions to net assets with donor restrictions.

NOTE 1. NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

Significant accounting policies: (Continued)

Functional allocation of expenses:

The costs of providing the various programs and other activities have been summarized on a functional basis on the consolidated statements of activities and consolidated statements of functional expenses. Directly identifiable expenses are charged to programs and supporting services. Furthermore, all other costs have been allocated among the programs and supporting services benefited as required by FASB's *Not-for-Profit* presentation and disclosure guidance. Personnel costs, professional fees, meals and entertainment, contributions to other agencies, bank credit card fees, travel and conferences, operating expense, dues and registration, gifts and awards, insurance, and bond fees expenses are allocated based on the department and the percentage of time that the department supports the various programs and supporting services.

Recent accounting pronouncements:

In February 2019, FASB issued Accounting Standards Update (ASU) 2016-02, *Leases* (Topic 842) to increase transparency and comparability among organizations by recognizing lease assets and lease liabilities on the consolidated statements of financial position and disclosing key information about leasing arrangements.

For the year ending June 30, 2021, the Foundation adopted ASU 2016-02 and has adjusted the presentation in these consolidated financial statements accordingly. This adjustment did not have an effect on total net assets or the change in total net assets for 2021 or 2020.

NOTE 2. LIQUIDITY AND AVAILABILTIY

The Foundation manages its liquidity by developing and adopting annual operating budgets that provide sufficient funds for general expenditures in meeting its liabilities and other obligations as they become due. Cash needs of the Foundation are expected to be met on a monthly basis from contributions received without donor restriction, private grants and contracts, service contract revenue, registration fees and other income, management fee income, investment income to be used for operating purposes, investment income from direct financing leases, rental receipts, and annual endowment distributions and appropriations available for general expenditure. Financial assets available for general expenditure, that is, without donor or restrictions limiting their use, within one year of the statement of financial position, comprise the following:

| | 2021 | 2020 |
|----------------------------------------------------------|--------------|-----------------|
| Cash and cash equivalents | \$ 1,368,307 | \$ 868,771 |
| Endowment spending rate distributions and appropriations | 308,660 | 243,602 |
| | \$ 1.676.967 | \$ 1.112.373 |

NOTE 2. LIQUIDITY AND AVAILABILTIY (Continued)

Endowment funds consist of donor-restricted endowments and funds designated by the Board as endowments (quasi-endowments). Income from donor-restricted endowments is restricted for specific purposes, with the exception of the amounts available for general use. Donor-restricted endowment funds are not available for general expenditure.

For the years ending June 30, 2021 and 2020 board-designated endowment of \$5,954,074 and \$4,748,392, respectively, is subject to an annual spending rate generally not to exceed 5% as described in Note 12. Although the Foundation does not intend to spend from this board-designated endowment (other than amounts appropriated for general expenditure as part of the Board's annual budget approval and appropriation), these amounts could be made available if necessary.

NOTE 3. CONCENTRATION OF CREDIT RISK

Cash is maintained at multiple financial institutions and, as a result, credit exposure to any one institution is limited. The Federal Deposit Insurance Corporation (FDIC) secures accounts in insured institutions up to \$250,000 per depositor.

At times, the balance of the Foundation's accounts may exceed the federally insured limits. As of June 30, 2021 and 2020, the Foundation's uninsured cash balances totaled \$1,726,780 and \$1,130,204, respectively. The Foundation has not experienced any losses on its cash and believes it is not exposed to any significant credit risk on cash.

NOTE 4. PLEDGES AND GRANTS RECEIVABLE

The pledges and grants receivable at June 30, 2021 and 2020, consisted of the following:

| | | 2021 | 2020 | | |
|--------------------------------------------|-----------|---------|------|---------|--|
| Pledges and grants with donor restrictions | \$ | 593,328 | \$ | 874,470 | |
| Total pledges and grants receivable | | 593,328 | | 874,470 | |
| Less discount on multi-year pledges | | (2,791) | | (3,370) | |
| Total pledges and grants receivable, net | \$ | 590,537 | \$ | 871,100 | |
| Amount Due in: | | | | | |
| Less than one year | \$ | 480,828 | \$ | 537,510 | |
| One to five years | | 112,500 | | 336,960 | |
| Total pledges and grants receivable | <u>\$</u> | 593,328 | \$ | 874,470 | |

Unconditional promises to give due in more than one year are reflected at the present value of estimated future cash flows using a discount rate of 1% as of June 30, 2021 and 2020. As of June 30, 2021 and 2020, pledges and grants receivable were considered fully collectible.

NOTE 5. INVESTMENTS

As of June 30, 2021 and 2020, investments consist of pooled diversified funds in the amount of \$7,072,244 and \$5,366,599, respectively. The pooled diversified fund includes investments in funds that invest primarily in money markets, mutual funds, equity, and debt securities. There are no unfunded commitments as of June 30, 2021.

The following table sets forth by level, within the fair value hierarchy, the Foundation's investments measured at fair value on a recurring basis as of June 30, 2021:

NOTE 6. INVESTMENTS IN DIRECT FINANCING LEASES

The Foundation has entered into thirty agreements with the Board of Regents to lease properties for use by seventeen institutions in the University System of Georgia. The construction of the properties was funded using the proceeds of the 2008, 2009, 2010, 2018, 2019 tax-exempt bonds issued by the Georgia Higher Education Facilities Authority, the 2018 tax-exempt bonds issued by the Barnesville-Lamar County Industrial Development Authority, the 2018 tax-exempt bonds issued by the Joint Development Authority of Bleckley County and Dodge County, the 2018 tax-exempt bonds issued by the Americus-Sumter Payroll Development Authority, the 2019 tax-exempt bonds issued by the Development Authority of Bibb County, the 2019 tax-exempt bonds issued by the Albany-Dougherty Inner City Authority, the 2020 tax-exempt bonds issued by the Development Authority of the City of Milledgeville and Baldwin County (see note 8), the 2018 notes payable issued by the United States Department of Agriculture (USDA), and 2019 notes payable (see Note 9) issued by the USDA.

Following is a summary of the components of the Foundation's net investment in direct financing-type leases at June 30, 2021 and 2020:

NOTE 7. ASSETS LIMITED AS TO USE

The financing of the purchase of various facilities including student housing, student centers, campus bookstores, parking decks and stadium renovations subject to the terms of Trust Indentures between the Georgia Higher Education Facilities Authority and Trustees. Under the provisions of the Trust Indentures, Debt Service Reserve Funds will be used to pay principal of, premium, if any, and interest on the bonds if sufficient funds are on deposit with the Trustees on the date such payment is due. The Trust Indentures also provide for other funds, including the Repair and Replacement Funds, Construction Funds, and the Surplus Funds.

Pursuant to the Agreements, the Borrower has agreed to deliver the gross revenues attributable to the project to the Trustees for deposit in the Revenue Funds, as applicable, from which the operating expenses of the project, debt service of the bonds, and other amounts will be paid.

Bond Funds were established to be used as sinking funds to pay the principal of, premium, if any, and interest on the bonds.

If on any interest payment date there should be insufficient funds within an account in the bond funds to pay interest, principal or premium due on the respective series of bonds, there shall be transferred to the respective account in the bond funds from the related account in the debt service reserve funds such amounts as are necessary to pay the interest, principal, and premium due on the related series of bonds.

Operating Funds were established under the provisions of the Trust Indentures which will be used to pay for allowable operating expenses.

As of June 30, 2021 and 2020, all assets limited as to use are made up of cash held by the Trustees. A summary of the assets limited as to use held by the Trustee under the Trust Indenture as of June 30, 2021 and 2020, is as follows:

| | 2021 | 2020 |

NOTE 8. BONDS PAYABLE

Series 2010A USG Real Estate Foundation III, LLC Bonds Payable

In August 2010, the Georgia Higher Education Facilities Authority issued revenue bonds and loaned the proceeds to USG Real Estate Foundation III, LLC in the amount of \$94,210,000. The Series 2010A bonds were issued to finance construction of facilities at colleges and universities in the University System of Georgia on real estate owned by the Board of Regents. The real estate on which the facilities are constructed will be leased to USG Real Estate Foundation III, LLC by the Board of Regents pursuant to a ground lease for minimal rent.

The terms of the bonds require the USG Real Estate Foundation III, LLC to lease the related facilities to the Board of Regents through year-to-year rental agreements that have multi-year renewal options, in amounts necessary to maintain the properties, pay interest on the bonds, and retire the debt (see Note 6).

The Series 2010A bonds will mature on June 1, 2041, subject to mandatory and optional redemption provisions. The bonds bear interest, payable semiannually on December 1st and June 1st, at a fixed interest rate set at issuance. Interest will accrue at the fixed rate until converted to another fixed rate in accordance with the terms of the Indenture. The applicable interest rates ranged from 3.00% to 5.00%.

The original bond principal of \$94,210,000 was allocated to projects at the various institutions as follows:

| Institution | Amount | | |
|--------------------------------------|------------------|--|--|
| | | | |
| College of Coastal Georgia | \$ 28,955,000 | | |
| East Georgia State College | 8,910,000 | | |
| Georgia College and State University | 31,400,000 | | |
| Savannah State University | 18,930,000 | | |
| University of West Georgia | 6,015,000 | | |
| | \$ 94,210,000 | | |

In May 2015, the College and the Board of Regents informed the Foundation that as of May 14, 2015, the College of Coastal Georgia student housing facility project, would be leased to an unrelated third party entity through a long-term concession arrangement. As part of the concession arrangement, the monies collected from the unrelated third party entity would be used to service the outstanding bonds payable liability of \$14,795,000, which met the legal requirements for defeasance. As of May 14, 2015, the applicable rental agreements and ground leases between the Foundation and the Board of Regents was effectively terminated. Therefore, neither the assets limited as to use held by the Trustee nor the bonds payable are included on the consolidated statements of financial position as of June 30, 2021 and 2020.

NOTE 8. BONDS PAYABLE (Continued)

In May 2015, the College and the Board of Regents informed the Foundation that as of May 14, 2015, the East Georgia College student housing facility project, would be leased to an unrelated third party entity through a long-term concession arrangement. As part of the concession arrangement, the monies collected from the unrelated third party entity would be used to service the outstanding bonds payable liability of \$8,450,000, which met the legal requirements for defeasance. As of May 14, 2015, the applicable rental agreement and ground lease between the Foundation and the Board of Regents was effectively terminated. Therefore, neither the assets limited as to use held by the Trustee nor the bonds payable are included on the consolidated statements of financial position as of June 30, 2021 and 2020.

In March 2020, the Georgia Higher Education Facilities Authority issued refunding revenue bonds and loaned the proceeds to the USG Real Estate Foundation III, LLC. The Series 2020 bonds were issued to refund the remaining Series 2010A USG Real Estate Foundation III, LLC bonds payable. The refund met the legal requirements for defeasance of the bond liability. As of March 19, 2020, the applicable rental agreements and ground leases between the Foundation and the Board of Regents was effectively terminated.

Therefore, neither the assets limited as to use held by the Trustee nor the bonds payable are included on the accompanying consolidated statement of financial position as of June 30, 2021 and 2020. The defeasance resulted in a loss on extinguishment of bond debt of \$8,911,362 for the year ending June 30, 2020.

Refunding Series 2015 USG Real Estate Foundation I, LLC Bonds Payable

In June 2015, the Georgia Higher Education Facilities Authority issued refunding revenue bonds and loaned the proceeds to USG Real Estate Foundation I, LLC in the amount of \$85,570,000. The Refunding Series 2015 bonds were issued to refund the Series 2008 bonds.

The terms of the bonds require the USG Real Estate Foundation I, LLC to lease the related facilities to the Board of Regents through year-to-year rental agreements that have multi-year renewal options, in amounts necessary to maintain the properties, pay interest on the bonds, and retire the debt (see Note 6).

The Series 2015 bonds will mature on June 15, 2040, subject to mandatory and optional redemption provisions. The bonds bear interest, payable semiannually on December 15th and June 15th, at a fixed interest rate set at issuance. Interest will accrue at the fixed rate until converted to another fixed rate in accordance with the terms of the Indenture. The applicable interest rates ranged from 2.00% to 5.00%.

NOTE 8. BONDS PAYABLE (Continued)

The original bond principal of \$85,570,000 was allocated to projects at the various institutions as follows:

| Institution | Amount | | |
|-----------------------------------------------------------|--------|------------|--|

Refunding Series 2018 USG Real Estate Foundation VI, LLC Bonds Payable

In June 2018, the Barnesville-Lamar County Industrial Development Authority issued refunding revenue bonds and loaned the proceeds to the USG Real Estate Foundation VI, LLC in the amount of \$25,190,000. The Series 2018 bonds were issued to acquire a student housing property from the Gordon College Properties Foundation, LLC, and another student housing property from Gordon College Properties Foundation II, LLC, which are both wholly owned by Gordon State College Foundation, Inc. (a separate not-for-profit organization within the University System of Georgia).

NOTE 8. BONDS PAYABLE (Continued)

The terms of the bonds require the USG Real Estate Foundation VI, LLC to lease the related facilities to the Board of Regents through year-to-year rental agreements that have multi-year renewal options, in amounts necessary to maintain the properties, pay interest on the bonds, and retire the debt (see Note 6).

The Refunding Series 2018 bonds will mature on June 1, 2038, subject to mandatory and optional redemption provisions. The bonds bear interest, payable semiannually on December 1st and June 1st, at a fixed interest rate set at issuance. Interest will accrue at the fixed rate until converted to another fixed rate in accordance with the terms of the Indenture. The applicable interest rates ranged from 3.00% to 5.00%.

The terms of the bonds require the Foundation to set rates and charged to the institution's facilities, such that the debt service coverage ratio calculation at the end of fiscal year will not be less than 1.0 in each fiscal year while the rental agreements are in effect.

The Foundation shall exercise its option under the Loan Agreement and Indenture to have the Refunding Series 2018 bonds redeemed in the principal and interest amounts set forth in the following table:

NOTE 12. ENDOWMENT

Interpretation of Relevant Law

In approving endowment, spending and related policies, as part of the prudent and diligent discharge of its duties, the Board of Trustees of the Foundation, as authorized by the UPMIFA, has relied upon the actions, reports, information, advice and counsel taken or provided by its duly constituted committees and the duly appointed officers of the Foundation and in doing so has interpreted the law to require the preservation of the historic dollar value of donor-restricted endowment funds, absent explicit donor directions to the contrary.

As a result of this interpretation, for accounting and financial statement purposes, the Foundation classifies net assets with donor restrictions perpetual in nature at the historic dollar value of assets held as donor-restricted endowment, including any subsequent gifts and any accumulations to donor-restricted endowments made in accordance with the direction of the applicable gift instruments.

The portion of the donor-restricted endowment fund that is not classified as net assets with donor restrictions perpetual in nature is classified for accounting and financial statement purposes in accordance with requirements of the Financial Accounting Standards Board and the law.

Funds with Deficiencies

From time to time, the fair value of the assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Foundation to retain as a fund of perpetual duration. In accordance with FASB's *Not-For-Profit* presentation and disclosure guidance, deficiencies of this nature are reported in net assets with donor restrictions. At June 30, 2020, the Foundation had one fund with original gift value of \$98,525, fair value of \$94,185, and deficiency of \$4,340. At June 30, 2021, the Foundation did not have any deficiencies in the endowment.

NOTE 12. ENDOWMENT (Continued)

Return Objectives and Risk Parameters

The Foundation has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the historic dollar value of the endowment assets. Endowment assets include those assets of donor-restricted funds that the organization must hold in perpetuity as well as board-designated funds. Under this policy, as approved by the Finance Committee of the Board of Trustees, the endowment assets are invested in a manner that is intended to produce results that exceed the price and yield results of benchmark indexes of similar asset classes while assuming a moderate level of investment risk.

Strategies Employed for Achieving Objectives

To satisfy its long-term rate-of-return objectives, the Foundation relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Foundation targets a diversified asset allocation to achieve its long-term return objectives within prudent risk constraints.

Spending Policy and How the Investment Objectives Relate to Spending Policy

The Foundation's Finance Committee of the Board of Trustees (the "Committee") determines the method to be used to appropriate endowment funds for expenditure. The Foundation has a spending policy whereby a certain percentage (generally not to exceed 5% of the fair value of endowment net assets each year) may be distributed for purposes of supporting unrestricted and temporarily restricted activities.

The Foundation's Finance Committee of the Board of Trustees reviews spending policies annually and approves distributions they deem to be prudent.

NOTE 13. RELATED PARTY TRANSACTIONS

One of the Foundation's primary functions is to support the Board of Regents of the University System of Georgia. The Foundation's Board of Trustees is comprised of current and former Regents and others with knowledge and commitment to public higher education and with access to businesses, groups, and individuals interested in promoting, encouraging, and supporting the charitable purposes and functions of the Foundation. All Trustees are elected by the Board of Trustees. The Board of Regents has no authority to appoint or elect members of the Foundation's Board of Trustees.

Certain expenses were incurred by the Board of Regents in conducting various program services for the Foundation. In return, the Foundation reimbursed these costs to the Board of Regents totaling \$900,630 and \$495,636 during the years ended June 30, 2021 and 2020, respectively. The Foundation also reimbursed personnel costs to the Board of Regents for certain administrative services provided by employees of the Board of Regents.

NOTE 14. COMMITMENTS AND CONTINGENCIES

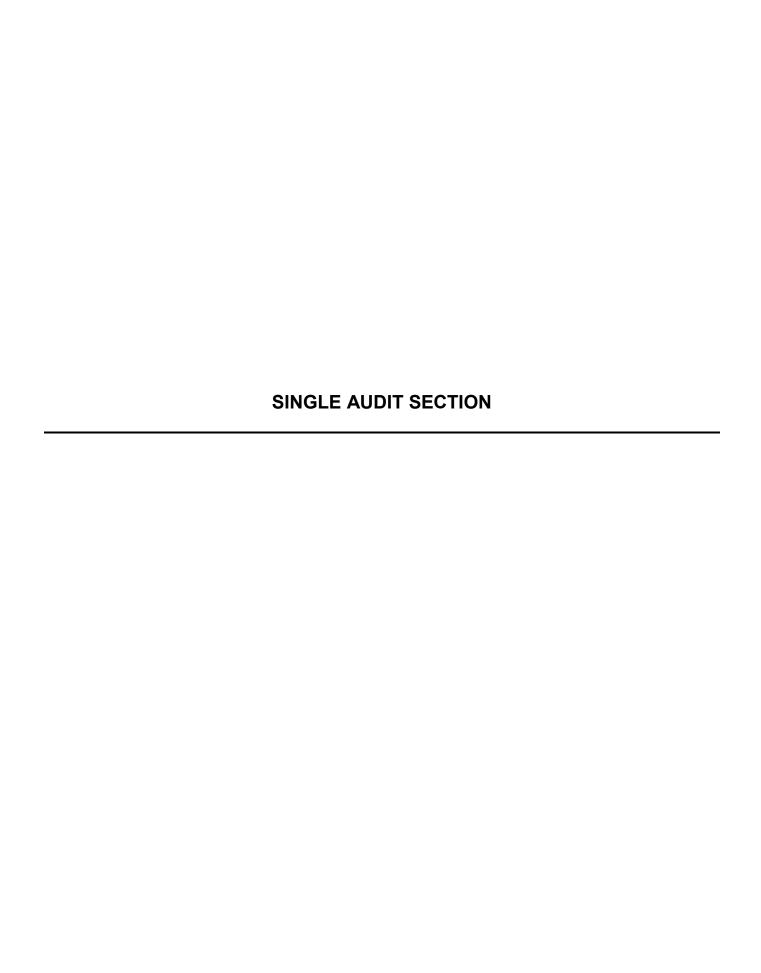

From time to time, the Foundation is involved in various litigation matters arising from the normal course of business. The Foundation has business insurance that covers various litigation matters. The Foundation has not experienced any losses from litigation, and believes it is not exposed to any significant risk.

NOTE 15. EFFECTS OF COVID-19 CORONAVIRUS

As a result of the spread of the COVID-19 coronavirus, economic uncertainties have arisen which are likely to negatively impact the change in net assets. Other financial impacts could occur though the extent of potential impact is unknown at this time.

NOTE 16. SUBSEQUENT EVENTS

The Foundation has evaluated subsequent events occurring through September 21, 2021, the date on which the consolidated financial statements were available to be issued.

UNIVERSITY SYSTEM OF GEORGIA FOUNDATION, INC. AND AFFILIATES NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS FOR THE YEAR ENDED JUNE 30, 2021

NOTE 1. BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal award activity of the University System of Georgia Foundation, Inc. and Affiliates under programs of the federal government for the year ended June 30, 2021. The information in the Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the University System of Georgia Foundation, Inc. and Affiliates, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the University System of Georgia Foundation, Inc. and Affiliates.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

NOTE 3. INDIRECT COST RATE

The University System of Georgia Foundation, Inc. and Affiliates has elected not to use the 10% de minimis cost rate as allowed under the Uniform Guidance.

NOTE 4. LOANS OUTSTANDING

University System of Georgia Foundation, Inc. and Affiliates has received two U.S. Department of Agriculture communities and facilities loan clusters. The total federal expenditures in the current year are presented in the Schedule of Expenditures of Federal Awards.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Trustees University System of Georgia Foundation, Inc. and Affiliates Atlanta, Georgia

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of the University System of Georgia Foundation, Inc. and Affiliates (a nonprofit organization), which comprise the consolidated statement of financial position as of June 30, 2021, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 21, 2021.

Internal Control over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the University System of Georgia Foundation, Inc. and Affiliates' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the University System of Georgia Foundation, Inc. and affiliates' internal control. Accordingly, we do not express an opinion on the effectiveness of the University System of Georgia Foundation, Inc. and affiliates' internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the University System of Georgia Foundation, Inc. and Affiliates' financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Trustees University System of Georgia Foundation, Inc. and Affiliates Atlanta, Georgia

Report on Compliance for Each Major Federal Program

We have audited the University System of Georgia Foundation, Inc. and Affiliates' compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the University System of Georgia Foundation, Inc. and Affiliates' major federal programs for the year ended June 30, 2021. The University System of Georgia Foundation, Inc. and affiliates' major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the University System of Georgia Foundation, Inc. and affiliates' major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the University System of Georgia Foundation, Inc. and Affiliates' compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the University System of Georgia Foundation, Inc. and Affiliates' compliance.

Opinion on Each Major Federal Program

In our opinion, the University System of Georgia Foundation, Inc. and Affiliates complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2021.

Report on Internal Control Over Compliance

Management of The University System of Georgia Foundation, Inc. and Affiliates is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the University System of Georgia Foundation, Inc. and affiliates' internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the University System of Georgia Foundation, Inc. and affiliates' internal control over compliance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
